

## Upper Chattahoochee Chapter of Trout Unlimited

[ucctu.org](http://ucctu.org)

UCCTU is your local chapter of Trout Unlimited centered in Roswell, GA. We have about 800 members in metro-Atlanta.

Our members enjoy fishing, but we especially focus on the condition of the Chattahoochee River Tailwater and its watershed. The Chattahoochee was named as one of America's 100 Best Trout Streams by Trout Unlimited.

UCCTU is dedicated to fulfilling the mission of Trout Unlimited on your home waters. Join us at a meeting or event for fellowship and fun.

For more information and details on getting involved, see our [calendar here](#).

*A brief look at some of our activities.*

## Georgia Adopt-A-Stream

UCCTU monitors Chattahoochee River tributaries for chemical and bacterial water quality. UCCTU members are also Adopt-a-Stream certified instructors.

## Stream Restoration Projects

UCCTU partners with GCTU, the Georgia DNR, the United States Forest Service and others to enhance and restore aquatic habitat in the Chattahoochee's North Georgia tributaries.

## Partnerships

UCCTU collaborates with the Camo Coalition, the Chattahoochee Riverkeeper and other TU chapters throughout the state to further our common interests in the environment, in conservation and in our sport.

## Sweep the Hooch

On the second Saturday in April each year, UCCTU, the National Park Service and the Chattahoochee Riverkeeper host Atlanta's largest river clean-up.

## Advocacy – Getting the Word Out

Members volunteer their time to discuss conservation and to demonstrate skills in local schools and in public forums:

- > Earth Day
- > Kid's Fishing Day
- > Outdoor Adventure Day
- > and more

## Youth Outreach

### Rizzio Fly Fishing Clinic

A comprehensive one-day fly fishing clinic for **young men and women, ages 10 to 15**, who are new to fly fishing. Certified instructors and mentors engage students in a wide range of fly fishing and conservation topics.

### Georgia Council Trout Camp

Each summer twenty-four boys and girls, ages 12-15, travel to the Rabun Gap Nacoochee School, in Dillard GA for a week of fly casting, fishing, fly tying and cold water conservation activities. UCCTU sponsors two individuals for the camp.

### Trout in the Classroom

An environmental education program in which students in grades K-12 raise trout from eggs to fry; monitor tank water quality; engage in stream habitat studies; learn to appreciate water resources; begin to foster a conservation ethic and grow to understand various ecosystems.

### BSA Fly Fishing Merit Badge

UCCTU offers Boy Scouts instruction from qualified merit badge counselors to help Scouts earn the Fly Fishing Merit Badge.
