Dear Friend,

Thank you so much for your tax-deductible gift of \$376.00 to assist the survivors of Hurricane Dorian. This unpredictable storm has affected the lives of so many, and we're incredibly thankful for your generosity.

Dorian caused catastrophic damage to the Bahamas. It grew to a Category 5 hurricane — with sustained winds of 185 mph — before it hit the islands and tied the 1935 Labor Day hurricane as **the strongest Atlantic hurricane landfall on record.**

Members of Convoy of Hope's International Disaster Services team deployed to the islands as soon as they could. We are working with local partners and government agencies to distribute water, food, tarps and tents, water filters, and solar lights other disaster relief supplies.

Thank you for remembering those whose lives have been forever changed by this brutal storm. Convoy of Hope is making a difference because of partners like you.

Blessings,

Hal Donaldson  
President
